GROHE

BASK IN YOUR JOY

Feel time stop in every shower,
with intuitive controls & beautiful design
that will inspire you to linger for longer.

GROHE

GROHE is a leading global brand for complete bathroom solutions and kitchen fittings. Brand values of quality, technology, design and sustainability underpin every product, offering "Pure Joy of Water Enjoyment". Its groundbreaking innovations such as thermostat as well as GROHE Blue water system, highlights its profound expertise. GROHE creates intelligent, life-enhancing and sustainable product solutions that bear the "Made in Germany" seal of quality. GROHE has won more than 460 design and innovation awards in the past ten years, attesting its leadership and success.

QUALITY

*"No.1 most trusted brand in the sanitary industry" –
Wirtschaftswoche, 2017*

TECHNOLOGY

*"Top 50 companies to change the world" –
Fortune Magazine, 2017*

DESIGN

Over 400 design awards won since 2003

SUSTAINABILITY

CSR Award winner of the German Government, 2017

BASK IN YOUR JOY

In an increasingly fast-paced world, stress is constant. But even the madness of the workplace; traffic jams; and phone notifications is no match for your perfectly-crafted personal paradise.

GROHE invites you to stop time to enjoy the simplest of pleasures. The joy of water.

Whatever rushes you through your day, GROHE innovation and quality helps you slow down. While a user-centric design philosophy enables you customize an experience you'll want to enjoy, linger, and appreciate for longer.

Every shower experience with GROHE invites you to bask in your joy, with showers crafted to soothe the mind, spirit, and body.

WORLD-CLASS DESIGN

Design is more than aesthetics — it's the harmony of form and function, crafted to elevate your everyday experience. The GROHE shower combines beauty and practicality, enhancing bathrooms with its sleek designs and diverse shapes, sizes, and finishes. From sculpted curves to flawless contours, each detail is thoughtfully crafted by an award-winning design team to create shower experiences worth basking in.

INDUSTRY-LEADING TECHNOLOGY

Innovation sets GROHE showers apart, delivering a tailor-made experience every time. GROHE DreamSpray & SmartControl technology ensures that your perfect setting — whether a gentle rain or invigorating massage — is always a simple push and turn away. While GROHE TurboStat ensures consistent temperature safety, keeping you comfortable and protected. Create moments of bliss in every shower with GROHE, where comfort, control, and safety come together.

FUTURE-PROOF SUSTAINABILITY

Bask for longer while Mother Nature rejoices. GROHE combines a refined shower experience with sustainable design, allowing you to enjoy the ultimate water experience while caring for the planet. GROHE Water Saving Technology conserves water by limiting flow without compromising comfort or performance. Making showers that are both eco-friendly & luxurious a part of your daily routine.

WELL-TESTED QUALITY

Let the precision of German engineering bring you peace of mind, for shower experiences you can trust day after day. Meticulously crafted with exceptional precision, each product undergoes the toughest endurance tests in the industry to ensure unmatched performance. And because we're designed for the future, you can be sure you're passing down the joy of water for years & years to come.

Create shower experiences worth basking in with GROHE.
The world outside can wait.
