GROHE

GROHE is a leading global brand for complete bathroom solutions and kitchen fittings. Brand values of quality, technology, design and sustainability underpin every product, offering "Pure Joy of Water Enjoyment". Its groundbreaking innovations such as thermostat as well as GROHE Blue water system, highlights its profound expertise. GROHE creates intelligent, life-enhancing and sustainable product solutions that bear the "Made in Germany" seal of quality. GROHE has won more than 460 design and innovation awards in the past ten years, attesting its leadership and success.

QUALITY

"No.1 most trusted brand in the sanitary industry" – Wirtschaftswoche, 2017

TECHNOLOGY

"Top 50 companies to change the world" – Fortune Magazine, 2017

DESIGN

Over 400 design awards won since 2003

SUSTAINABILITY

CSR Award winner of the German Government, 2017

BASK IN YOUR JOY WITH GROHE AQUA INTELLIGENCE

Discover the intelligent innovation behind every GROHE experience.

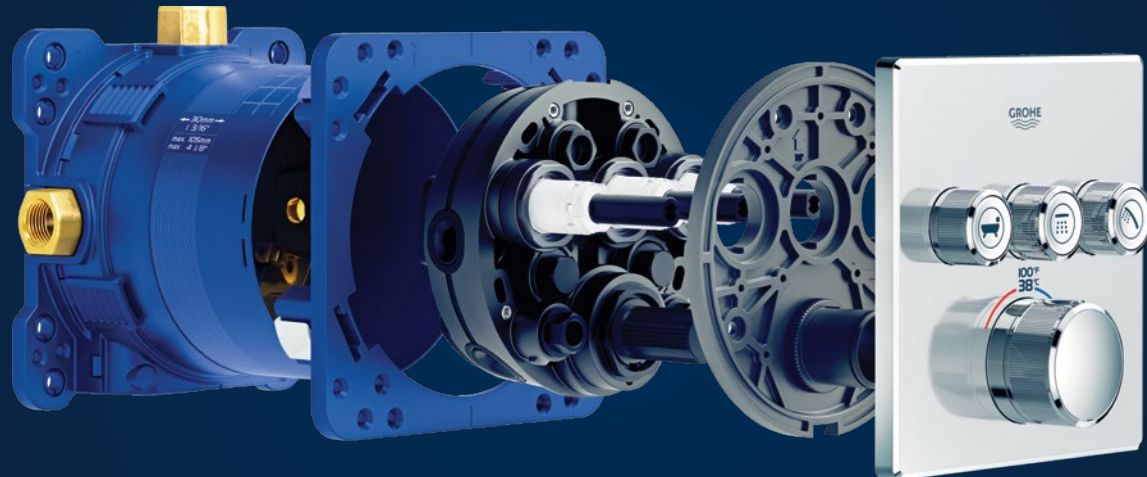

At GROHE, every innovation is designed to elevate the user experience and deliver "Pure Freude an Wasser" or the Pure Joy of Water.

Rooted in deep consumer insight, GROHE's proprietary technologies—known as GROHE Aqua Intelligence—combine German engineering, award-winning design, and eco-conscious practices.

From precise temperature control to balanced spray and enhanced safety, each GROHE product is crafted to transform ordinary routines into moments of serenity and luxury—so you can truly bask in your joy.

YOUR JUST-RIGHT SETTINGS

Intuitive push-turn
control

GROHE SmartControl

Made with 175 unique components, GROHE SmartControl offers an intuitive, customizable showering experience—effortlessly controlling flow, presetting volume, switching spray patterns, and alternating showers with a simple push-turn. For unmatched convenience and shower pleasure tailored to you.

EXPERTLY BALANCED WARMTH

Instant flow and
precise temperature

GROHE TurboStat

At the core of Grohtherm thermostats, GROHE TurboStat; crafted from 213 unique components, delivers instant, precise temperature control. It brings water to the desired temperature instantly and stays stable with pressure fluctuations, prevents sudden spikes, enhances safety, and ensures a consistently comfortable shower experience.

ENGINEERED FOR SAFETY

Innovative cooling
to prevent scalding

GROHE CoolTouch

GROHE CoolTouch ensures no scalding on hot surfaces by keeping the outer layer below your preferred temperature. An innovative cooling channel creates a barrier between hot water and the chrome surface, so it's never too hot to handle, especially for children's safety.
