GROHE SmartControl

175 unique components ensure that your perfect shower is just a push and turn away. Effortlessly switch between spray patterns and water flow, for feeling of control that stays with you throughout the day.

GROHE TurboStat

GROHE pairs instant, precise temperature control with stability features that keep water temperature consistent. So that every shower delivers the calm and relaxation you deserve.

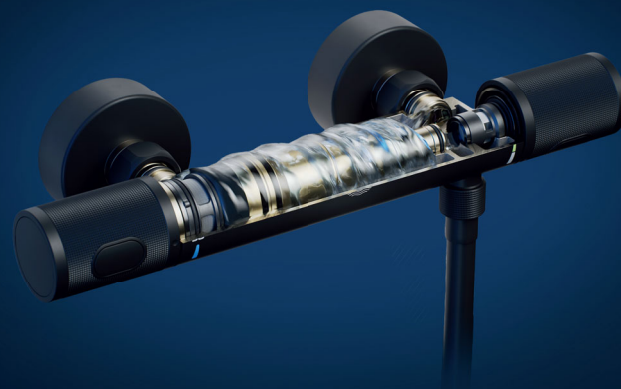

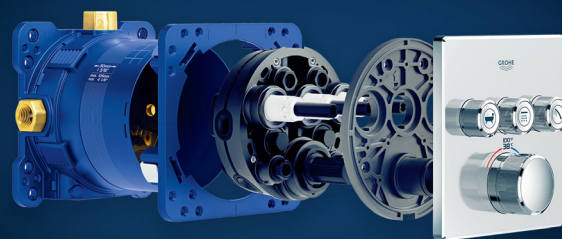

GROHE DreamSpray

Every time you turn on the shower, you can expect precise, consistent flow to every nozzle. Giving you confidence that no matter what spray pattern you choose, you're in for a world-class experience.

GROHE CoolTouch

You deserve to feel secure in your shower. With GROHE CoolTouch, surfaces stay cool, even when water runs hot. Bringing a sense of safety and ease into your daily routine.

SHOWERS THAT STAY WITH YOU

A shower lasts only a few minutes, but you can feel its impact long after. It's the brief pause in a world that never slows down – a vital reset that carries forward into how you feel and thrive. At GROHE, we don't just make showers, we help you shape what comes next.

Your shower routine is more than a habit. It is the beginning of your day's rhythm. A feeling that stays with you. Whether you need the energy to move, relaxation before a challenging day or the clarity to start fresh, we have the shower solutions and features that support your needs. Behind every GROHE shower lies an invisible strength that fuels your day – from intuitive handling and steady shower temperature control to different spray patterns, every detail is designed to give you a shower experience that lasts. Because every great day starts with the right flow.
